## Volunteering Policy

### 1) Introduction

Congleton Community Projects (CCP)) recognises the significant and valuable role that volunteers have in creating, implementing and enhancing our services and believe that volunteering should be a worthwhile and rewarding experience for volunteers.

We intend to encourage, develop and support volunteer involvement in our work. For the purpose of this policy, a volunteer is a person who does voluntary work on our behalf, with voluntary work defined as: “ Any activity which involves spending time, unpaid, doing something which aims to benefit someone (individuals or groups) other than or in addition to close relatives, or to benefit the environment” (helping out Survey volunteering England 2007).

Within CCP, volunteers serve on our management committee and help with the delivery of our services. Volunteers undertake supplementary and supportive tasks, complementing and not replacing the work of paid staff. CCP believes that our relationship with our volunteers is one of mutual responsibility and commitment within which CCP and our volunteers both have rights and responsibilities.

We hope that as a volunteer you will enjoy your involvement and gain from it in terms of your own personal objectives. We expect staff at all levels to work positively with you and, where appropriate, actively seek to involve you in their work, complying with the procedures detailed below.

### 2) Purpose and Advantages of adopting a Volunteer Policy

This policy presents CCP with a framework of best practice and procedures, which we will follow when recruiting, selecting, managing and supporting volunteers. The policy will:

- recognise the respective roles, rights and responsibilities of volunteers and CCP
- establish clear principles for the involvement of volunteers
- give a framework for recruiting and supporting volunteers including people from underrepresented groups
- commit CCP to identify and adequately meet the financial and personnel costs of the volunteer programme and to support volunteering through funding and other forms of help
- recognise the contribution all its volunteers make in a range of ways

## 3) General

In involving volunteers we will be guided by the following principles of good practice:

- Volunteers receive specific role descriptions and volunteer agreements, ensuring they have clear expectations of their role.
- Volunteers have a named person as their main point of contact and are provided with regular supervision to consider progress, and discuss any concerns.
- Training and support will be offered to volunteers We ensure that volunteers feel part of the organisational structure by enabling them to contribute to our on-going development by attending staff information sessions and events
- Information given to volunteers, and forms they are asked to complete, are clear and easy to understand
- Volunteers are reimbursed for out of pocket expenses.
- Within resources currently available, CCP will try to meet additional equipment or support needs to enable disabled people to participate fully as a volunteer.
- We aim to identify and solve problems at the earliest possible stage; procedures are in place to deal with complaints either by or about volunteers
- We do not regard volunteers as unpaid employees and do not expect volunteers to undertake inappropriate responsibilities or roles
- All staff and volunteers are expected and required to follow our Equal Opportunities Policy and treat each other and all visitors with respect and fairness
- Our Health and Safety Policy cover volunteers, and we take care not to expose volunteers to risks to their health and safety, and that of others: There is no formal/legal agreement between CCP and its volunteers. When volunteers give their time for a given number of hours, this is entirely at their discretion
- We will update our guidance in line with relevant changes in either law or in the scope of volunteer roles

## 4) Identifying Volunteering Opportunities

If a director or the manager identifies a new voluntary opportunity, they should, discuss the proposal and its implications, in terms of resources and support, with the Board and draw up a Volunteer Role Description

# Congleton Community Projects ..... *making events happen*

Volunteer role descriptions ensure volunteers are clear as to what is required and expected of them and will minimally include:

- The volunteer's role title
- A list of tasks and responsibilities
- Times/days and location of volunteering activity
- Skills/experience that are required/desired/essential
- Whether the role is anticipated to be short term or ongoing
- The person who will be their main contact for some roles it may be possible for the volunteer to "build on" certain tasks once their confidence and experience has grown.

## 5) Recruitment

The recruitment process for volunteers will help establish whether potential volunteers and CCP meet each other's interests and needs. The process will include an informal interview, an application form and taking up of references, and will be in line with CCP's Equality and Diversity Policy and current legislation.

We will use a variety of approaches to ensure we recruit volunteers that are representative of the community and the people who use our services.

## 6) Selection

The selection process for volunteers interested in volunteering for CCP will include:

- Being invited to a discussion with the Manager and or a director where they will learn about CCP, be given specific information on the volunteer role/s and talk about how they would like to contribute to the work of CCP and how they think they could benefit from contributing to CCP's work.
- completing a volunteer registration form with two referees

References will be accepted from suitably qualified people, who do not need to have been former employers, but should not be close relatives. Two references are required and no volunteer will commence a placement until both are received and are satisfactory. Any prospective volunteer, for whom this may prove a difficulty, should seek advice from the Volunteer Manager.

Where a volunteer role requires a volunteer to undergo a Disclosure and Barring Service (DBS) check, if the volunteer has completed one within the previous 3 calendar months, we will not ask them to complete a further check but will request to see the original notification.

# Congleton Community Projects ..... *making events happen*

We reserve the right to request a further DBS check based on the applicant's criminal record or other relevant information may have changed since its issue. Having a criminal record will not necessarily be a bar to anyone who applies to be involved with our work and only relevant convictions will be taken into account when considering a prospective volunteer's application.

At any point in the selection process, if a potential volunteer is considered unsuitable for a role, CCP will explain their reasons to that volunteer.

## **7) Induction**

All volunteers will have a named supervisor who shall be responsible for:

- Providing the volunteer with a written description of the volunteering role outlining specific and general tasks, responsibilities
- Ensuring that volunteers are aware of their agreed responsibilities with regards to confidentiality. Volunteers are bound by the same requirements for confidentiality as paid staff
- Ensuring volunteers are aware of relevant policies and procedures
- Ensuring volunteers have adequate work space, equipment and services necessary to perform their tasks effectively and safely.
- Agreeing with the volunteer a period of time during which volunteers will receive support and feedback, including the chance for them to feedback their views and concerns. At the end of the agreed time, if it is decided that the volunteer is not best suited to the needs of CCP an alternative voluntary role may be suggested and support will be given to find this. If a volunteer considers that the volunteer role does not fulfill their requirements, they must feel able to withdraw their help without fear of embarrassment.
- Making up and maintaining a confidential file for the Volunteer. The file will be held in a secure manner in compliance with the Data Protection Act. The file should contain the application form, references, the volunteer agreement, record of the dates, times and activities undertaken and emergency contact details.
- Providing on-going support including one to one meetings on a regular basis

## **8) Volunteer Agreement**

All volunteers will sign a Volunteer Agreement, which outlines the voluntary arrangement between the volunteer and CCP. It will also be signed by the CCP manager or director who will be the designated supervisor for the volunteer. It is binding in honour only and is not intended to be a legally binding contract of employment. This

# Congleton Community Projects ..... *making events happen*

agreement is intended to be flexible enough to take account of changes in a Volunteer's circumstances or in the requirements of CCP

## 9) Volunteer Expenses

CCP believes that no one should be at a financial disadvantage, through volunteering their time on a freely chosen basis, and is committed to meet, within resources available, reasonable out-of-pocket expenses incurred by our volunteers. These will include:

- Travel between home and place of volunteering activity. This includes public transport or a mileage allowance. If traveling by public transport, the ticket must be retained, by way of a receipt. If the volunteer is using his/her own transport, a record of all mileage must be kept.
- The mileage allowance paid will be concurrent with the general CCP staff mileage allowance. If a journey is in excess of 15 miles (round trip) volunteers are required to check the arrangements with the Volunteer Manager beforehand. Volunteers, claiming this allowance, must notify their motor insurance company and ensure their policy specifically includes "business use".
- Car parking charges. The car park ticket must be retained, by way of receipt.
- Receipts for items purchased must be retained. Claims for expenses should be made on a CCP Volunteer Expenses Claim form and are paid retrospectively.

## 10) Problem solving

In any organisation, problems can sometimes occur and whilst it is hoped that this will not be the case, if there are any concerns volunteers should in the first instance speak to either their named supervisor who will try and resolve the matter informally.

If the matter remains unresolved, reference will be made to the Problem Solving Procedure for volunteers, a copy of which is in the Volunteer's information File.

All complaints will be dealt with within 10 working days and treated in a confidential manner.

If there are concerns about the conduct or performance of a volunteer, their supervisor should investigate to find out what is happening. This includes talking with the volunteer concerned. If conduct or performance is unsatisfactory, the volunteer should be informed that s/he will be offered 'special guidance' for a period. The object of 'special guidance' will be to encourage improvement. If behaviour, which in CCP's view, is equivalent to gross misconduct has occurred, then the volunteer activity will be terminated immediately.

## **11) Ending Involvement**

Although both CCP and a volunteer can end their volunteering arrangement at any time and without any notice, unless there is an emergency or misconduct, CCP will aim to give a volunteer at least 1 month's notice, hoping that they will offer the same to us.

The decision to ask a volunteer to leave will be a last resort. It might not be possible to keep a volunteer, for reasons nothing to do with the person's performance, due to, for example, a project ending.. Every effort will be made to ensure that the reasons for ending an involvement are clarified, recorded and shared with the volunteer.

Where a specific volunteer role within CCP has proved not to be suitable for a particular person, the Volunteer Manager will assist them to explore other options. At the end of a volunteer's time with CCP their views and experiences will be captured in an exit questionnaire. This will gather information on the following areas:

- Their "highs and lows" whilst volunteering with us
- Their views on the training and support they were offered or received during their time
- Feedback on how the volunteer performed

## **12) References**

If asked, either during a volunteer's time with us or when it ends, we will supply a reference, based on a volunteer's service with CCP, indicating the skills and knowledge acquired as well as personal qualities observed.

## **13) Insurance**

CCP Volunteers are covered by its Employers and Public liability insurance policies. CCP is responsible for the actions of its employees / volunteers in the course of their duties and will take all reasonable precautions to prevent or minimise accident, injury, loss or damage.

## **14) Monitoring and Review**

It will be the responsibility of the Volunteer Manager to ensure that the Volunteer Information File is in accordance with current legislation, best practice in relation to managing and supporting volunteers.
